#### V. Read the text. Choose True or False.

Ted had a great day! He woke up at 8 o'clock and the sky was blue. He met Larry and George at the port at nine and they left for Little Island. The sea was calm and the trip only took an hour. When they arrived, they went swimming and then they had a picnic on the beach.

In the afternoon they went for a walk around the island. They found an empty house on the top of hill. There were a lot of strange paintings on the walls of the house. It was cool! When they came out of the house, the sky was grey and then it started to rain. They decided to go on the top of a hill. They decided to leave the island. The sea became very rough. The boat moved up and down and from side to side on the waves. They were afraid but it was also fun. It took them two hours to get back but they arrived safely.

When Ted got home, his mum was very worried but he told her that he had had a really great day!
